Note from Kristy:

Thank you so much for the support and love shown to Greg and I over the last 3 years. On September 7th we will begin our life together as husband and wife. We would love to have everyone there but space limitations have prevented that. We ask that you remember us in your thoughts and prayers during this exciting time. With this important event I have chosen to take most of the month of September off. My first day back will be September 25th. I will not have access to phone or email during most of this time. To those livestock exhibitors at Tri-State, I wish you the best of luck and Megan will be there to help you out if needed. Thanks again for your support and love and I will see you after the 25th.

Always,

Kristy Slough
